BUSINESS ETHICS TRAINING COURSE OUTLINE

FOREWORD

Every day key decisions are made about how resources are used and consumed in the enterprise. The ethical imperative is to ensure that resources are used in the most appropriate way within the context of the organization and the broader context of the organization in the community.

Ethics should maintain a positive effect on the employees surroundings, creating an atmosphere of decision making that fosters help and not harm. This course will pose a series of questions that will form the basis of a practical ethical framework.
