Communicating
Across
Cultures

COURSE LENGTH: 0.5 DAYS

In a global marketplace, the ability to communicate effectively across cultures is a great advantage and a necessity for international employees. If a staff member is able to successfully handle any dealings with colleagues and clients across cultural lines, more business opportunities should occur. Hence, if you want to improve your communication skills when conducting business with individuals from different cultures, it is highly recommended to register in a Communicating Across Cultures training course.

This Communicating Across Cultures training course will teach your staff how to remove cultural barriers to trade, how to deal with difficult individuals, handle cross-cultural situations and increase their effectiveness in our global marketplace.

This Communicating Across Cultures training course from PD Training is available now throughout Malaysia and Kuala Lumpur.

This Communicating Across Cultures training course can be delivered at your premises by one of our expert local or international trainers or live online using our [HIVE](#) technology.

COMMUNICATING ACROSS CULTURES TRAINING COURSE OUTLINE

FOREWORD

Successful business strategies don't always translate when you conduct business abroad. Your negotiating strategies may strike the wrong chord, or your polished business etiquette, which served you well in your own culture, may be interpreted as rude. When you recognize and respect cultural differences, you show you are serious about doing business in a global society.

Course Objective:

You will communicate and conduct business effectively across cultures.

Target Audience:

This course is for individuals who need to communicate clearly and effectively while conducting business in cultures other than their own.

Delivery Method:

Instructor led, group-paced, classroom-delivery learning model with structured hands-on activities. This course includes a variety of insightful scenarios and case studies involving specific cultures such as Japan, and Indonesia. Specific examples of cultural awareness and sensitivities will be included into course depending on the main nationalities of interest for each client.

OUTCOMES

In this course participants will:

- Understand the importance in recognizing key cultural differences when doing business
- Learn how to communicate effectively and appropriately with people from different cultures
- Gain insight into cultural differences within business protocol
- Learn how to create and manage high-performing, cross-cultural teams
