### FOREWORD

In order to create customer satisfaction, you need to go beyond good customer service and exceed your customers' expectations with exceptional service. In order to achieve this it is important to ask yourself some questions:

- Do you or your staff have the right skill sets to deliver exceptional customer service?
- Currently how do you improve your Customer Service Skills and approaches?
- Do you strive to continuously improve your customer service?
- Do you listen to your customers and their needs?
- Do you currently listen effectively to uncover the customer's true needs?
- Are internal customers understood and prioritized?

This Customer Service Training Course is for professionals who want to make a significant contribution to their company's image or bottom line and make their own lives easier by consistently providing exceptional customer service.
