**COURSE LENGTH: 1.0 DAYS**

In order for you to be an efficient manager, you must be comfortable in delegating work to employees while making sure they are both accountable and effective. It is vital to implement procedures to make sure assignments are clear and well-defined. The ability to delegate is a required skill for any effective leader.

This delegation training course is appropriate for managers, team leaders and supervisors in different sectors, who require a good understanding of how, when and what to delegate. The training course teaches the managers set of skills like identifying tasks that can be delegated, setting goals for task completion and reporting on delegated activities.

This highly valuable and effective training course is now available throughout Kuala Lumpur and Malaysia, and also via instructor-led online training.

This Effective Delegation training course can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.
