

FISH TRAIN THE TRAINER

Generate a [group quote](#) today

COURSE LENGTH: 2.0 DAYS

Learn how to convey refined and effective FISH! cultural change training programs that inspire transformation within your organization. Develop skills and resources to successfully and permanently embed those changes across all levels of the organization through this course.

FISH! promotes four primary philosophies:

- Being there when needed,
- a “play” mindset at work,
- making your people’s day by making them feel good through simple actions,
- choosing your attitude.

If it is your job to implement a behavioral culture change that progresses your organization toward greater lasting success, then this FISH! Train the Trainer course is for you.

This FISH Train the Trainer training course can be delivered at your premises by one of our expert local or international trainers or live online using our [HIVE](#) technology.

FISH TRAIN THE TRAINER COURSE OUTLINE

FOREWORD

FISH! Train the Trainer is a two-day workshop that shows you how to apply The FISH! Philosophy to build a highly effective organizational culture. By allowing your trainers to attend the course, you will have an effective means to begin the process of developing a high-performance culture in your teams and workplace.

OUTCOMES

By the end of this course, participants will:

- ▶ Give your trainers the tools and techniques for creating culture change company-wide.
 - ▶ Gain a working understanding of the importance of culture and see the impact and business results that a high-performing organizational culture can achieve.
 - ▶ Understand how the FISH! Philosophy can be incorporated into your culture as a means for creating enhanced employee engagement, better team cohesion, greater employee satisfaction, and overall better business results.
 - ▶ Learn a strategic approach to incorporate the FISH! Philosophy and training program with your current mission, vision, values and culture.
 - ▶ Learn to develop a culture change plan for incorporating the FISH! Philosophy into your organization.
 - ▶ Reflect and learn about the role of a leader in sustaining healthy cultures.
-
