COURSE LENGTH: 1.0 DAYS

Search Engine Marketing (SEM) or Pay-Per-Click (PPC) advertising with Google Adwords™ is a great way to guarantee your business can be found on page one of a Google search. Well written ads and landing pages can help your business by increasing online sales and attracting potential customers who are searching for your products or services.

In this Google Adwords training course, you will learn how to efficiently conduct relevant keyword research and generate Google AdWords campaigns that increase traffic, grow leads, improve your website's rank on various search engines such as Google, Yahoo!, Bing, etc, and outshine your competitors. We will also review some of the best practices and reveal tested strategies that will help you improve your Quality Score and reduce your cost-per-click (CPC).

Now available throughout Kuala Lumpur and Malaysia, this Google Adwords training course can be done with our expert local or international trainers at your chosen venue and schedule.

You can also join our public classes, live online using our [HIVE](#) technology.
