1.0 DAY COURSE

Unsatisfactory customer service can lead to lost revenue as your business may lose both potential and current clients. This one-day training course in Managing Customer Service helps supervisors and managers to engage customers and employees effectively to improve satisfaction and sales. This course also makes sure that attendees are fully equipped with the needed skills and behaviors in order for your business to convey better customer experience across all levels of the organization, while at the same time boosting customer loyalty and retention.

This highly valuable and dynamic training course is now available throughout Kuala Lumpur and Malaysia, and also via instructor-led online training.

This Managing Customer Service training course can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.
