COURSE LENGTH: 0.5 DAYS

The PD Training Negotiation Skills Training Course provides you with practical negotiation techniques that you can use in many contexts and situations. Our negotiation training course is run more like a workshop where you are taught the theory, then break out and work in pairs or small teams to practice the negotiation skills that are relevant to your needs.

In this Negotiation Skills Training course you will learn the theory and get the opportunity to apply it to scenarios that suit your specific needs. Learn key skills like how to lay the groundwork for a successful negotiation outcome, choosing preferred locations, identifying the key points you're willing to concede and when to walk away from the bargaining table.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day.

This is an instructor-led class that you can attend from home or your office.

The virtual classroom uses an advanced version of Zoom called 'Zoom for Webinars' that includes enhanced collaboration features such as One-click content sharing, real-time co-annotation (people can work together in activity files), and digital whiteboarding, and we use tools such as live polls, private group chats and participants can 'raise their hand' so you *virtually* have the same collaborative classroom based learning experience.

These courses are facilitated in English and are open to people from different industries across Australia, New Zealand, Singapore, Malaysia and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities.
