

RECRUITMENT AND SELECTION TRAINING

Generate a [group quote](#) today

COURSE LENGTH: 1.0 DAYS

Your job postings might identify numerous applicants, but ensuring that you entice the right candidates and select the one that fits your qualifications can be a major challenge. The entire process of recruiting and selecting employees is an expensive activity.

Performing the process right, using the necessary skills to verify who will provide you the most excellent output for the future, while upholding your organization as an employer of preference are all business fundamentals.

The Recruitment, Selection and Resourcing Talent is an exceedingly effective course that gives you an overview on some preferred recruitment, selection and resourcing procedures. It covers skills like how to prepare for conducting interviews, writing ads that draw preferred types of candidates and finding suitable recruitment networks.

These engaging, practical training courses are delivered throughout Kuala Lumpur and Malaysia.

This Recruitment and Selection training course can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.

RECRUITMENT AND SELECTION TRAINING COURSE OUTLINE

FOREWORD

Your employees are a vital part of determining the success of your business. Finding the best employees for each position requires strong recruitment strategies. Top talent will not always find you. You must seek out people to fill the positions that you have open. Recruiting the most qualified candidates will ensure that your employees keep your company running smoothly.
