Call Centre
Training Course

COURSE LENGTH: 3.0 DAYS

If your organization uses an outbound or inbound telesales team, then you can stay ahead of the competition by having your representatives undergo PD Training's Sales and Customer Service training course. After the training is completed, participants will think and act like sales professionals, which can lead to improved sales, excellent customer service and better customer loyalty.

Participants will learn how to ask the appropriate questions and effectively determine what is vital to the callers, know how to use specific aspects of verbal communication such as tone, cadence, and pitch, realize the value of personalizing interactions and developing relationships and much more.

This training course is now available in Malaysia and Kuala Lumpur.

This Sales and Customer Service training course can be delivered at your premises by one of our expert local or international trainers or live online using our [HIVE](#) technology.

CALL CENTER TRAINING: SALES AND CUSTOMER SERVICE TRAINING FOR CALL CENTERS COURSE OUTLINE

FOREWORD

Whether we choose to embrace them or cannot stand being interrupted by their calls, call centers are a business element that is here to stay.

This course will help call center agents learn to make the most of their telephone-based work, including understanding the best ways to listen and be heard. Each phone interaction has elements of sales and customer service skills, which we will explore in detail throughout this energizing and practical three-day workshop.

OUTCOMES

By the end of this course, participants will be able to:

- Understand the nuances of body language and verbal skills, which are so important in conversations that do not have a face-to-face element.
 - Learn aspects of verbal communication such as tone, cadence, and pitch.
 - Demonstrate an understanding of questioning and listening skills.
 - Acquire comfort in delivering bad news and saying no.
 - Learn effective ways to negotiate.
 - Understand the importance of creating and delivering meaningful messages.
 - Use tools to facilitate communication.
 - Realize the value of personalizing interactions and developing relationships.
 - Practice vocal techniques that enhance speech and communication ability.
