[REQUEST QUOTE](#)

1.0 DAY COURSE

The Emotional Intelligence (EQ) For Professionals training course in Kuala Lumpur teaches you how to develop your emotional intelligence and your ability to manage your responses based on your objective assessment of different personalities and situations. After completing this one-day course, you will have learned: what is EQ, the four core skills required to practice EQ (self-management, self-awareness, self-regulation, self-motivation), how to use empathy, how to interpret, manage and articulate your emotions using the right language, the benefits of having a high EQ both at home and in the workplace and much more.

This newly found emotional "awareness" allows you to communicate more effectively, succeed at work and achieve your career and personal goals in a shorter amount of time.

This dynamic training course is available now in Kuala Lumpur and throughout Malaysia.

This Emotional Intelligence (EQ) training course can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.

## What You'll Gain:

**Healthy Emotions + Clear Thinking + Appropriate Action = High EQ**

Emotional intelligence is a skill, and like any other skill, you can get better at it with training and practice. It allows you to read the style of individuals in both the workplace and at home, and adjust your communications accordingly.

This one day training course in Malaysia is useful for anyone who leads or works with other people, no matter what size the organization. This course will focus on the five core competencies of emotional intelligence: self-management, self-awareness, self-regulation, self-motivation and empathy and also includes interpersonal skills.

Participants will learn to develop and implement these competencies to enhance their relationships in work and life by increasing their understanding of social and emotional behaviors, and learning how to adapt and manage their responses to particular situations.

# Outcomes

After completing this course participants will have learned how to:
