1.0 DAY COURSE

Negotiation is required everyday when communicating within any business or organization. You negotiate constantly – with colleagues, employees, clients and business partners. Did you know that successful negotiation involves self-awareness, preparation and putting into practice these elements?

This Negotiation Skills training course addresses all three requirements by providing practical negotiation techniques applicable in various situations. To gain proficiency in negotiation requires practice, so the course provides you with tips for competent pre-negotiation planning, and working in pairs or small teams to prepare for situations that require negotiation.

In this Negotiation Skills training course from PD Training, you will learn theories and obtain the opportunity to apply them to different scenarios. This is training tailored for you!

This hands-on Negotiation Skills training course is available now throughout Malaysia, including Kuala Lumpur.

This Negotiation training course can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.
