 5.0 DAY COURSE

Book with PD Training and receive training that prepares you for a:

- Globally Recognised Certification in Prince2

From :

- A world leader in SCRUM, Lean Six Sigma, Prince2 and Project Management
- PD Training is an IATO & REP in the USA, Australia, New Zealand, Philippines, Malaysia, Singapore, Hong Kong, Nigeria and the UK

Using :

- Authorised Curriculum
- Lots of Practical activities
- Details and theory, provided clearly with supporting imagery

What You'll Gain:

The aim of this course is to provide delegates sufficient understanding of how to apply and tailor PRINCE2® in a project situation. A successful delegate should, with suitable direction and support, be able to start applying the method to their projects straight away.

Delegates will be able to apply and understand how to tailor PRINCE2® effectively to a project within an organization environment supporting PRINCE2®.

Outcomes

In this course you will learn:

- Understand the relationships between the roles, management products, principles, themes, techniques and processes
 - Be able to apply the principles, themes and processes to a project
 - Be able to create and assess management products
-
