 1.0 DAY COURSE

Do you want to know what your client's body language is telling you? Are you aware of what your body language is communicating to others? Body language is a universal medium of non-verbal communication and aids in reinforcing and adding credibility to what you are saying. Reading non-verbal signals can be even more important when selling in cross-cultural situations. You'll learn the essential concepts of understanding body language by attending the Reading Body Language Sales training course from PD Training. This course will help participants to understand body signals and facial expressions, how to use mirroring and matching techniques to build rapport, how to control and alter your body language signals and use them to build an enhanced personality, create better relationships and ultimately get more sales.

This training course is now available in Malaysia and Kuala Lumpur.

This Reading Body Language Sales training course can be delivered at your premises by one of our expert local or international trainers or live online using our HIVE technology.
